Title of Study/Research: Usability Testing for the HR department of Edinburgh University

I agree to be interviewed and to take part in user research and that my data may be used for future research.

I understand that:

- my participation is voluntary and that I am free to withdraw at any time without giving any reason.
- my activities during the user research may be observed and may be recorded. This recording will be in the form of Audio, Video and where I look and move the mouse on screen.
- the information and recording are for user research and storytelling purposes only and that any information I provide will not be used for any other purpose.
- any data or information used in any reports which arise from this Study/ Research will be anonymous. Participants will not be named.
- all data, film and information [relating to me] will be stored securely and covered by the General Data Protection Regulation.

Name of Participant: _____
